Since 1944,

Dealers Supply and Lumber Company has endeavoured to bring the Southeast the finest in millwork products. We continue to maintain that tradition by offering from stock, these products. Because we stock these doors, we can ensure quick delivery.

The Victorbilt brand means our dedicated craftsmen will ensure that the door you choose is properly fashioned in a frame to meet your specifications and that the products are of the highest quality.

If the doors you desire are not pictured, remember that a wide variety of wood styles and designs are available on a special order basis.
