**WindowWrap™** is a patented, self-adhering 25-mil aluminized flashing tape that effectively stops water leaks around windows and doors while reducing outdoor noise and air infiltration. Also, >35 °F application temperature, 5-yr Warranty, Silver, 180 day exposure.

**WindowWrap™ Flex** is a flexible, 70-mil waterproofing tape that is designed for use around curved window and door openings, as well as sealing building joints. Excellent for use in waterproofing window sills. The polyethylene crepe film allows the product to stretch to conform to any irregular shape. Rolls are individually shrink-wrapped. White color. May be left exposed for 90 days. Impermeable to water vapor, moisture, insect and air penetration.

**Since 1944**
